HELPING YOU MAKE GREENER CHOICES

SEPTEMBER/OCTOBER 2024

Look for your 2024/2025 Green Bin, Recycling, Garbage and Yard Waste Collection Schedule in the mail this **September!**

There will be no curbside collection on National Day of Truth and Reconciliation on **September 30, 2024**. Please review the updated schedule in your new calendar or visit london.ca/collectioncalendar

Download the Recycle Coach app

To access your collection schedule, receive reminder notifications and use the What Goes Where search function. For more information visit london.ca/whatgoeswhere.

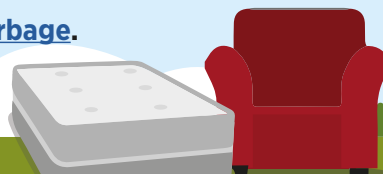

How to schedule a Large Furniture and Bulky Item pick-up?

Booking requests must be completed at least 5 business days in advance:

- Online at service.london.ca
- Phone - 519-661-2489

Collection will occur on your next scheduled garbage collection day. Large items are over 1 metre wide, 1.5 metres tall and generally require 2 or more people to safely place at the curb. Examples include mattresses, boxsprings and couches. There is a four item limit per collection.

Learn more at london.ca/garbage.

Visit www.london.ca for more information on environmental projects and programs.

London's Climate Emergency Action Plan

Annual CEAP Progress Reports provide detailed information on climate change actions and achievements in London and, in addition to detailing the progress made towards the goals of the CEAP, provide additional context and information about actions by others in the community, action at other levels of government, and recent weather trends. The CEAP 2023 Progress Report is now available at getinvolved.london.ca/climate

The City of London in collaboration with several others has also prepared a Climate Change Adaptation Discussion Primer and will be collecting comments about the document through the remainder of summer and fall. This Climate Change Adaptation Discussion Primer will lead to the completion of a Climate Change Adaptation Framework for London.

The Discussion Primer and feedback survey can be found at getinvolved.london.ca/climate
