HELPING YOU MAKE GREENER CHOICES

SEPTEMBER/OCTOBER 2023

London's Green Bin program begins the week of **January 15, 2024.**

A Green Bin is like a blue recycling bin, but for food waste such as fruit and vegetable skins, meat and chicken, spoiled leftovers and other inedible food waste like bones.

A Green Bin and Kitchen Container will be delivered to approximately 120,000 curbside households between mid-October and mid-December.

Inside the Green Bin will be a copy of the new 2024 Waste Reduction and Conservation Guide, the new collection schedule and a Kitchen Container. This guide will provide complete information on how to use the Green Bin and what goes inside the Green Bin. The Kitchen Container can help separate Green Bin materials inside your home.

Londoners may start to fill up their Green Bin the week before the start date but please do not place it at the curb until your collection date during the week of January 15, 2024.

Details on the Short-term Collection Calendar

With the Green Bin program and other collection changes starting in January, a short-term calendar has been prepared for the months of October 1, 2023 to January 15, 2024 as a continuation of this year's calendar.

This short-term calendar will not be mailed out across London.

View collection dates:

- ✓ Visit **london.ca/CollectionCalendar** to view upcoming dates.
- ✓ A digital copy can be requested through the City's Zone Finder tool and be received by email.
- ✓ The Recycle Coach app can send reminders to your phone or email about your collection dates.
- ✓ Printed versions of the short-term calendar will be available for pick up from City Hall, EnviroDepots, Community Centres, and libraries this fall.

Look inside your Green Bin when it is delivered to your home this fall. **A new guide and your collection dates for 2024 will be included inside.**

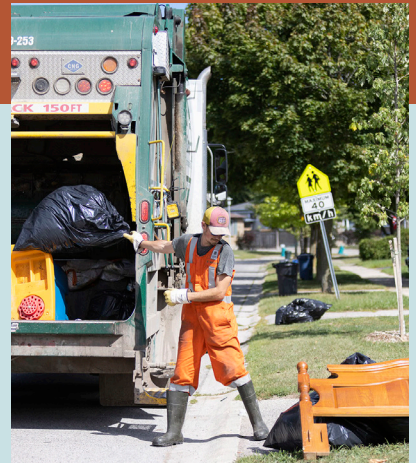

Changes to the Collection of Large Furniture & Large Bulky Items

The City is changing how it collects large items such as mattresses, boxstrings and couches at the curb.

Beginning October 1, residents will be required to let the City know if they have large items for collection.

Please let us know at least five days in advance of your next scheduled garbage collection date. There will be a four-item limit per collection. Please schedule in advance at **london.ca/garbage**.

Learn more about what goes where at **london.ca/WhatGoesWhere**

EnviroDepots go cashless

Please note the EnviroDepots at 21462 Clarke Road North, 28 Clarke Road South and 1450 Oxford Street West will no longer be accepting cash as a payment option beginning on **October 1, 2023**. The EnviroDepots will continue to accept debit and credit. This change does not affect the W12A landfill.
