COMMUNITY INFORMATION MEETING

Mobility Master Plan Amendments to the Official Plan

YOU ARE INVITED!

The City of London will be hosting a Community Information Meeting to provide an update to The London Plan. The proposed changes to The London Plan will promote walkable communities that feature well-located, mixed-use development, ensuring convenient access to everyday services and amenities.

Official Plan amendments will permit commercial uses (retail, service and office) within stand-alone or mixed-use buildings at key intersections within the Neighbourhoods Place Type, amend maps and figures, and other housekeeping changes to align with the Mobility Master Plan.

This meeting will include a presentation, and staff will be available to answer questions related to the ongoing project. Please note, the presentation will begin shortly after the scheduled meeting start time.
