

Home Composting

Let's break it down!

A simple, inexpensive way to take climate action, reduce your garbage, and make great soil for your lawn and garden.

3 easy steps to get started

»» Get a composter

Composters are available from City of London EnviroDepots for \$35 (includes tax).

»» Save your leaves

Hang on to the leaves you rake up and place a thick layer (20 to 30 cm) at the bottom of the compost bin.

»» Layer, layer, layer

Add a layer of vegetable & fruit scraps. Cover with another layer of dry leaves. Repeat.
